February 2, 2006

Dear Mr. John Hubbard,

Please accept my wholehearted **THANKS** for the Computers for the Seminary and the kind Christmas Packages for our Orphans & Deaf Mute Kids. God lovingly bless you with His choicest graces.

Your generous GIFTS that you sent to us last Christmas Really made the orphans, the deaf & mute Children and the Children Choir members very happy as they received the packages that “came”, as though, “from heaven” for them. Also the Contemplative Carmelite Sisters were indeed very grateful for your thoughtfulness in keeping them in your generous hearts. All of the beneficiaries of the Christmas presents from you are eternally thankful as they continue remembering you in their day-to-day prayers to the Lord.

Our Christian society commemorates the feast of the kind St. Valentine on the 14th of this month: he is considered the Patron Saint of those who are truly “in love.” May the mystery of God’s love that was revealed and really manifested in the Person of Jesus permeate the lives of our people as we continue to endeavor to translate this **Love** into our day-to-day communion with one another.

Warm regards & may our loving Lord shower upon you and your dear Family circle his abundant blessings.

With love and prayers,

Abp. O. Gordonello
